

2-bedroom loft apartment for rent in El Raval Barcelona

This well-situated 2-bedroom loft apartment for rent in El Raval, Barcelona perfectly balances cutting edge style with the elegance of Catalan tradition. You will be wowed by its unique beauty and made to feel perfectly at home, in this charming property.

As soon as you enter through the huge, wooden door, you will realize that this is a home like no other. The high ceilings give the entrance a grand and airy feeling as you flow through to the open plan kitchen diner. You cannot miss the influence of the local Catalan culture that has been preserved in this home through the beautiful Catalan vaults and Catalan hydraulic tiles, which make a striking contrast against the modernity of the well-equipped kitchen and the light, high ceilinged dining area, perfect for entertaining.

Follow the stone feature wall that makes up the entire right side of the property into the spacious living area at the rear of the apartment. You will find stunning floor-to-ceiling windows, where you will be able to admire your private courtyard, from the comfort of your sofa.

The property has two well-sized bedrooms, each accessed by an individual staircase and including private bathrooms. The unusual glass wall of the front bedroom overlooks the magnificent door and entrance way into the property. The stone wall and painted beams in the ceiling are gorgeous features in this bedroom, serving to increase its charm further.

The second bedroom, located at the rear of the property, is accessed through the living area, where the first thing you will notice will be the impressive floor to ceiling windows that look out onto the courtyard. Similar to the bedroom at the front, the stone wall and ceiling beams add endless amounts of charm to this already delightful bedroom, which also has a large en suite.
