

1-bedroom apartment for rent in Poblenou Barcelona

One ideal way to live in a stylish property in the Catalan capital close to beach and the city is this 1-bedroom apartment for rent in Poblenou Barcelona. The recent refurbishment has left a special atmosphere in the dwelling. Some of the original features of Catalan architecture have been maintained such as the exposed beams made of bricks on the ceiling, the typical hydraulic tiles on the floor and the exposed bricks in some rooms. This authenticity blends perfectly well with the more modern elements that have been implemented all around. Also, the rustic yet chic aspect has been emphasized thanks to the wooden furniture and the parquet floor.

The 60-m² apartment is completely furnished and equipped with sophisticated decoration and furniture. The feeling that the main living area provides is an invitation to relax. The soft sofa encourages you to grab a cup of coffee and a book and to lay down on it. When it is time for a bite, the fully-equipped kitchen is the right playground for wannabe super chefs with its top-quality appliances and the large working surfaces. The dining area stands in the middle of the room and could be used as a working zone outside eating time.

The outstanding interior design style also spreads in the other rooms. The double bedroom is separated from the rest of the apartment by a large glass wall covered with curtains for keeping privacy to its maximum. The bathroom seems to be carved into the granite with the rock-like colour of the walls and the sink holders.

The magic of the apartment carries on when you leave it too. The tranquillity of the neighbourhood makes it a wonderful place to live in. The beach is at the end of the road and can be accessed on foot. Any neighbourhood of Barcelona and the surroundings of the city can easily be reached with public transports such as buses, metros or tramway.

This 1-bedroom apartment for rent in Poblenou Barcelona would ideally suit a couple or a professional.
