

3-bedroom apartment with terrace for sale in Gothic Quarter Barcelona

At ChicRoom Properties we are often very excited to present you unique properties. Once again this does not fail with this sublime 3-bedroom apartment with terrace for sale in Gothic Quarter Barcelona.

The modernist essence of the property has been well maintained and ideally blends with the more modern characteristics and aspect. Its elegance is characterised by the wooden elements and the white colour tone of the walls and high ceilings. The latter are covered with original plaster mouldings and wooden painted friezes; which produce a truly majestic ambience in every room.

The 143-m² apartment is a dream home ideal for a family. With a 22-m² living room, family time will be cosier as ever.

During the summer and the sunny days, you can double the relaxing space thanks to a 20-m² private terrace. Paved with a beautiful wooden deck, it will provide a spot to make the most of the gorgeous Mediterranean weather.

For savouring meals with guests and family, the large dining room counts with a long wooden table that could accommodate between 6 and 8 people. An open-plan kitchen with full brand-new equipment completes the space. It contains all the needed household appliances and storing cabinets for a comfortable cooking activity.

The bedrooms, situated on the other side of the apartment, are isolated from the main living area for more privacy. The first one is an interior bedroom that could be converted into an office, a children's bedroom or a guest room.

Right next to it, there is a complete bathroom covered with grey marble tiles and with a bathtub, a sink and a WC.
