

3-bedroom penthouse for rent in Sarria Barcelona

When our family decided to settle down in this 3-bedroom penthouse for rent in Sarria Barcelona we immediately knew our life would be ideal.

As we have a teenage girl, the apartment was ideal for us. Everybody had his own space to relax and to get privacy and the organisation of the property enables every corner to be efficiently used.

The main living with the living room and the dining area was the heart of our dwelling. We could enjoy the moment together with our family and friends, eat together and entertain ourselves with our favourites books and TV programmes.

Luckily there is a wide terrace connected to it, which works as an extension of the room during the hot sunny days. I let you imagine savouring your breakfast outdoor with the bright Mediterranean sun enlightening your morning and filling you up with energy.

The three bedrooms are another plus of this apartment for rent. Our double bedroom was exterior and flooded with a lot of natural light. Our daughter had her own space with a single bedroom. She had a single bedroom, a desk for studying and her privacy was totally respected as her room was away from ours. There was a second double bedroom that we used for our guests.

The apartment has one complete bathroom that comes with a bathtub, a WC and two sinks.

My partner is the chef of the family and the fully-equipped kitchen was just perfect for showing off his cooking skills. Also being very practical with the various cabinets and

working surfaces, it has top-quality household appliances.

The location of the apartment is simply fantastic! Located in an exclusive area of Barcelona, the neighbourhood enjoys buildings with an elegant style, quietness and various sophisticated restaurants and bars. Thanks to various green areas nearby we had the chance to have a break from the concrete of the city. The most important attribute for us as we did not need to use our car for anything. Our daughter could walk to her school St. Peter's School and get there in less than 30 minutes. The busy and shopping Diagonal Avenue is only 10 minutes walk away. We could reach the city centre, our workplaces and any other spots in Barcelona with public transport.

We are going to really miss this penthouse for rent in Barcelona and we hope that the next residents will be as enthusiastic about it as us.
