

## 2-Bedroom Penthouse Apartment with Terrace on La Rambla

Starting on the fourth floor, this 2-bedroom penthouse apartment with terrace on La Rambla has impressive views over the Catalan capital. It is located on the most famous street of Barcelona, making it a great base to enjoy the city. The 55m<sup>2</sup> apartment has been recently refurbished so is very modern, however it has also retained some historic elements which give it plenty of character. If you are a couple, a professional or a small family, it is impossible not to fall in love with this home.

The living room is simple and sophisticated with an elegant sofa and a coffee table. It is very bright thanks to the large window that opens onto the terrace and fills the space with sunlight. Wooden beams in the ceiling add an abundance of charm and the beautiful parquet floor and white walls create a calming, relaxed environment. The modern kitchen is open to the living room and comes fully equipped with washing machine, microwave, ceramic hobs etc. From the living room, there is access to a private terrace with views of the beautiful city of Barcelona. There is plenty of space for outdoor furniture, making it an ideal place to enjoy time outdoors throughout Barcelona's hot summer.

The apartment has 2 bedrooms, with the master bedroom located just off the living room. It has a modern en-suite bathroom with a large shower, built-in wardrobes and a comfortable double bed. Wooden beams continue in this bedroom, adding a romantic touch. The second bedroom is very bright and has a single bed and built-in wardrobes. A second bathroom is located nearby, which is also very modern.

The great advantage of this accommodation is its ideal location in Barcelona. You are close to everything: Plaça de Catalunya, the shops of Paseo de Gracia, the center and the enchanting, narrow streets of the Gothic Quarter. It is also very well connected as the Plaza de Catalunya metro is very close; it has access to several subway lines and regional trains.
