

Majestic furnished flat to rent in Barcelona Gothic Quarter

We are warning you before your visit to this majestic furnished flat to rent in Barcelona Gothic Quarter, this place will leave you speechless. We also challenge you not to be impressed by its powerful character as every single detail in the decoration was thoroughly meditated to create a unique sensation in each room.

If you want a fast-track tour and go independently we propose you this **3D tour** that you can visualise with a Virtual Reality headset.

The visit starts in the sumptuous entrance hall with impressive golden tiles on the walls that match with the design metal ceiling light. The elegance is emphasized by the marble skirting boards and the golden mouldings on the ceiling and around the entrance door.

The tour continues in the noble dining room in salmon tones. Leafy mouldings cover all the walls and a plaster frieze connecting them to the ceiling decorates the upper part of the room. Classic pieces of furniture combined with modern lightings also give a special touch to it.

Next to it, you will discover the masterpiece of the property, the celestial kitchen. Set in a former chapel, it has kept its original aspect with divine paintings all over the doors, walls and ceiling and wooden door and window panels covered with a golden layer. It will make you feel like being in the Sistine Chapel. Top-quality household appliances are hidden behind finely ornamented wooden doors. There, cooking will become a sacred spiritual ceremony and every guest will worship you for your supreme and succulent dishes.

We will let you take your breath and emotions back to follow the exploration. Now enter the monumental living room and pay attention to every detail of the exquisite decoration from floor to ceiling and to the sophistication of the furniture. Walk towards the comfortable bay windows used as a chill-out area and lay down on the soft mattress while enjoying the views of the harbour.

Shall we carry on? Head to the master bedroom where you will find a huge double bed and a stylish design. It is connected by two magnificent wooden and glass doors to a vast dressing room. From there, you access the huge bathroom whose style mirrors the property's chic ambiance.

The last room is an ample office with a large desk on one side if you wish to work from home and a piano in the other if you need to soothe your mind with a relaxing music session.

The location of the apartment is simply amazing. Not only is it right in front of Barcelona harbour and close to Barceloneta beach but also a few steps away from the exclusive Soho House club. That would be a good excuse to get your membership. Also, several fine bars and restaurants with local delicacies surround the building. The neighbourhood is very well connected to the rest of the city and its surroundings thank to a large network of public transport (bus, metro and train).
